

September 1, 2016

Dear Valued Member

The Safety Services Network has partnered with the Baking Association Australia, who are they? And what can they offer my Business?

We are a national group of locally owned and operated family businesses, just like you, with a real passion for Work, Health and Safety.

We are premium service providers based in all major population areas of Australia, including; South East Queensland; Sydney, the Central Coast and the Hunter regions of New South Wales; Darwin in the Northern Territory and Perth in Western Australia.

We offer the following WHS related services:

- Testing & tagging of electrical appliances and leads.
- 3 Phase power testing.
- Residual current device testing (safety switches).
- Microwave leakage testing.
- Servicing and installation of fire extinguishers and fire protection equipment.
- Testing and maintenance of exit and emergency lights.
- Domestic smoke alarm testing and maintenance, servicing Real Estate Agencies.
- First Aid Kit servicing.

It is up to you to protect your livelihood, your staff and customers, contact us now on: **1300 66 91 77** or by email: info@safetyservices.network. Visit our website www.safetyservices.network for more information.
